The United Way of Southeast Iowa hosted an urban rappelling event and fundraiser on Saturday, Aug. 10. The goal of Over The Edge was to raise \$25,000, with the money going to the organizations supported by the United Way. Participants rappelled down the nine-story F&M Bank and Trust building in downtown Burlington.

United Way of Southeast Iowa's mission is "To continually seek opportunities to unite our communities by uncovering needs, identifying resources, and deploying assistance by empowering our partner agencies". All funds raised will go to support LOCAL programs impacting health, education, and financial stability/income.

We were proud to be a business that supports United Way of Southeast Iowa. We encourage you to get involved and volunteer! United Way of Southeast Iowa plays a vital role in facilitating positive change and making a difference in the lives of its residents.
